

**International
Headache Society**

IHS Secondary Headache Special Interest Group

Annual Report 2021

Summary

The SIG mainly operates as a study group and informal discussion forum, and provides input for teaching courses.

Projects

We did a study on headache after Covid 19 vaccination. The paper is submitted.

Communication

The SIG members mainly communicate through email/video. In 2020/2021 there was no formal meeting due to Covid-19
