

Annual Report – 2024

Child and Adolescent Standing Committee

Main updates

1. Continuation and development of our Webinar series. First presented in May 2024, next session in October 2024
2. Grants that have been funded have included publications, reports and request for extensions
3. Future projects are involved in international outreach to underserved areas as developed by Dr Burstein.

We will not plan on a meeting at MTIS, but may work on a virtual meeting after the webinar on 3 October.
