

Annual Report – 2025

Classification Committee

Chair: Peter J Goadsby

Secretary: Stefan Evers

The Committee met in London at the Migraine Trust International Symposium, 5th September, 2024.

We provided minutes of that meeting to the International Headache Society secretariat.

We wrote a report to the membership that was published in Cephalalgia (1).

We plan to meet in September at the International Headache Congress in Sao Paulo, and to hold a workshop at that meeting.
